

KNOW SOMEONE WITH ALZHEIMER'S?

Participants wanted for a 4 year study
investigating a cure

Note: This is **NOT** a drug trial

13 COUPLES WANTED

*where one partner has Alzheimer's
and the other one does not*

This study uses deep sleep chambers, good nutrition and situational psychology to increase natural brain cleaning and repair, to cure, reverse or slow progression of Alzheimer's (Dementia) and other disease.
